## APOSTLE OF MIRTH WILL CLOSE CHA- TAUQUA TONIGHT

Herbert Leon Cope Will Deliver His Famous Lecture on "Family Remedies"—Welsh Glee Singers Here.

Saturday and Sunday were big days at the chautauqua. The Vivian players presentation of the comedy "Nothing But the Truth," brought forth bursts of laughter and the people of Maysville are still laughing over the real comedy of these artists. Sunday's program was the highest class program of the entire week. Miss Isabelle Christian, prima donna of the Chicago Grand Opera Company's recital on Sunday evening was very pleasing to the lovers of high class music while her supporting artists were said to be masters of their instruments.

Dr. Wells' lecture on "Do the Dead Speak" on Sunday afternoon was a fair discussion of spiritualism and pleased many. The Sunday crowds were enormous and in the future there will be no Sunday programs but seven full week days will be given instead.

The chautauqua will come to a close this evening with a concert by the Welsh Glee Singers and Herbert Leon Cope's famous lecture on "Family Remedies." It is quite fitting that the chautauqua should close with this number for it will appeal to everyone and those who fail to hear Cope will miss the one big feature of the whole week. It was Cope who was labeled "Kill the Blues Cope" by the soldiers in Europe. He is a humorist of the Bill Nye type and will produce a laugh a second for two hours.

Whether or not Maysville will have a chautauqua in 1921 will probably be determined tonight. Opportunity to sign pledges has been given the people since Saturday and as yet there have not been enough pledges made to justify the guarantors to arrange for another program, for next year but it is thought that by tonight the guarantee will be made up. The people have shown a fine chautauqua spirit throughout the week and they have indicated that they want the chautauqua again next year.

## LOCAL COLORED TEAM VICTORIOUS SUNDAY.

The Maysville colored baseball team defeated a colored team from Portsmouth, Ohio, at League Park Sunday afternoon by a score of 13 to 12. It was a very exciting game and many were in attendance.

## PROF. W. H. HUMPHREY HONORED BY GOVERNOR

Principal of Colored High School Is Named Delegate to Inter-race Conference at Louisville.

Governor Edwin P. Morrow has selected Prof. W. H. Humphrey as delegate from this district to the Inter-race Conference which convenes in the city of Louisville July 23 and 24. This meeting will be composed of some of the leading representative men of both races of this state and the object of the conference is to consider inter-race problems.

This inter-race conference is considered to be so important that some of the civic and business bodies of the state are financing the meeting and are bearing the expenses of the delegates. Governor Morrow will preside at all the meetings.

## LECTURER SPEAKS TO CLASS.

The Brotherhood class of the Third Street M. E. church shared their privilege of hearing Dr. George R. Wells yesterday with all the adult department. Dr. Wells gave a most interesting and helpful address on "Personality." A deep thinker, a pleasing personality and the ability to talk about problems in an entertaining way, characterizes the speaker. The Brotherhood class showed its appreciation of his coming by having forty—more than a third of the total number in the school—present.

## ASHLAND EVANGELIST TO SPEAK AT RUGGLES.

Rev. W. H. Davenport, district superintendent, was in the city Friday. He announces the engagement of Rev. H. H. Miller, D. D., an evangelist located at Ashland, also Rev. T. Howard Jones, pastor of First M. E. Church, Ashland, for part of the preaching at Ruggles Campmeeting. The program for the meetings is gradually assuming shape. Those who are to attend are assured of the very best in the way of preaching, singing, and a general good campmeeting.

## CENTENARY LECTURE.

The Epworth League of the Third Street M. E. church will combine with the church next Sunday evening, presenting a Centenary missionary lecture illustrated with stereoscopic pictures. This will be one of several such services to be given during the summer season.

The Board of Directors of the City Mission will meet Tuesday afternoon at 3 o'clock at the Mission rooms.

## G. O. P. SUCCESS IN THIS STATE NOW ASSURED

Spirit of Confidence in Party Prevails Throughout State—Farmers, Workers and Business Men For Party.

The Louisville Herald's political editor back from a trip over Kentucky says:

A survey of the political situation in the Bluegrass, Eastern Kentucky, the counties of the Big Sandy, and in those counties bordering on the Ohio River from Boyd to Campbell and Kenton, reveals that everywhere a spirit of confidence in Republican success in the fall campaign prevails.

This confidence is based on conviction that Kentucky came to the parting of the ways politically last fall when a majority of 40,000 was rolled up for Morrow, but this year, the leaders in every section visited by The Herald correspondent declare victory is in the air, not so much because of the emphatic preponderance of Republican votes in the last campaign, but because of several contributing factors making for Republican success this year.

In the Bluegrass section, long the stronghold of the Democrats, there is much discontent among the farmers. At every meeting of the farmers in that section, as well as all over Kentucky for that matter, organizers have stressed what they call discrimination against the farmers. The organizers have accentuated the fact that while all commodities consumed by the farmer have been steadily mounting in price since the signing of the armistice, the farmer has been receiving a steadily diminishing return for his products. The break in the price of cattle and hogs last winter brought actual loss to stock raisers in Kentucky, and no one seems to be able to point out any material reduction in the price of these commodities when purchased by Old Ultimate Consumer.

"Ernest will swell the Republican vote in all this section of Kentucky," said a Kenton county Republican leader to the Herald correspondent. "His candidacy has a particularly strong appeal to the business interests throughout the state."

Something of this enthusiasm was reflected by leaders with whom the Herald correspondent talked in many different sections in the territory included in this survey.

The feeling throughout the state is that the state administration has redeemed every promise made to the voters last fall. Republican leaders are very enthusiastic when discussing this phase of the situation, and many of them declare it is bound to have the effect of retaining the support of thousands of voters who supported the party last fall for the first time in recent years.

Perhaps no one act of Governor Morrow's has created more general satisfaction throughout the state, among all classes of citizens, than his appointment of a strictly non-partisan good roads commission, and his firm stand against permitting the injection of politics into the administration of the state highway department.

## CELEBRATE SIXTIETH WEDDING ANNIVERSARY.

Colonel W. B. Dawson and good wife quietly celebrated the sixtieth anniversary of their marriage at their home on the East Side Saturday. Mr. and Mrs. Dawson were married in Aberdeen at the famous old Gretna Green by "Squire Shelton." The many friends of "Uncle Willie" and his wife extend the heartiest of congratulations and wish them many more happy anniversaries.

## SMALL BOY MISTREATED.

Three youngsters were before Police Judge Whitaker this afternoon on a most serious charge of mistreating a smaller boy on Sunday. As the boys were too young for the city court, they were transferred to Juvenile Court without an examination and Judge Purnell will take up the case.

## STILL LOOKING FOR SCHOOL TEACHERS.

Mason county schools are still short of teachers. Trustee Langhorn Fox of Dover, was in Maysville today endeavoring to get in touch with a teacher for the Dover schools as an assistant to Miss Hart, who has been elected principal of the school.

Mr. James Payne, aged 76 and Mrs. Nancy Newdigate, aged 65, were married at the County Clerk's office this morning by County Judge H. P. Purnell. Both parties are residents of Ewing, Fleming county. It is the first venture for the groom while the bride is taking her second venture.

Mr. and Mrs. Roy Roberts and son, of Harriman, Tenn., are visiting her parents, Mr. and Mrs. T. G. Gilmore, of Lexington.

Mr. Geo. Wilson, of Forest avenue, suffered a slight stroke of paralysis Saturday.

## STANDARD DRUG STORE AGAIN CHANGES HANDS

Lexington Firm Purchases Maysville Drug Store and Will Take Charge Early in August.

A deal which has been pending for the past week was consummated late Saturday afternoon and the People's Drug Company, of Lexington, operators of a high class drug store in that city, purchased of Mr. R. B. Crech the Standard Drug Store at the corner of West Second and Court streets.

Mr. Crech has extensive coal interests in the mountains of Kentucky and is leaving the drug business that he might devote his time entirely to his coal mining holdings. The newcomers will take charge of the local store during the early part of August and will operate it as a high class store in every respect.

A local manager will be sent here by the corporation from Bowling Green, Ky., to manage the store here and through the connection with the company's large store in Lexington they will be enabled to give their local patronage fresh drugs and will be enabled to handle a most complete line at all times.

## BARACAS' NEW OFFICERS.

The Baraca class of the First Baptist church, one of the leading men's Bible classes in the city of Maysville, has just closed a most successful term and entered upon a new term with a determination to break past records in real accomplishments. Mr. Ed. W. Hutchison is the new president of the class. Mr. W. R. Smith is vice president; Elmer E. Kirk, Secretary; W. A. Munzing, Treasurer; Prof. R. Y. Maxey, teacher, and C. S. Kirk, assistant teacher. During the six months term just closed the Baracas contributed over \$200 to various causes, much of which was to charity.

## CONVENTION DATE ANNOUNCED.

At last the date and place for holding Sunday school convention can be definitely announced. The date is July 21st and the place the Hilldale school house. This progressive school under the leadership of their progressive superintendent, Miss Ella Wallace, will entertain the convention. Its success is therefore assured. The program will be announced in a few days. Let every school in city and county send representatives. It will be an excellent place to consider the problems of the Sunday school work.

## AGED FLEMING CITIZEN DIED ON SUNDAY.

Mr. W. T. Powell, who for many years conducted the hotel at Ewing and who is well known in Maysville, died at his home at Ewing Sunday. Mr. Powell was about 70 years of age and a splendid gentleman. He was an uncle of Mr. William Powell, of Forest avenue this city. Funeral will be held from the late home Tuesday morning and burial will be made at the Mayslick cemetery.

## FORMER LOCAL MAN KILLED WHEN ENGINE GOES THRU BRIDGE

Engineer Frank Meyers, Former Hostler at Local C. & O. Yards, Killed When His Engine Goes Through Trestle at Cincinnati.

Frank Meyers, 44 years old, 328 East Seventeenth street, Covington, Ky., a locomotive engineer, formerly hostler at the Maysville C. & O. yards and well known here, was killed and Warren Price, 40 years old, 1415 Wheeler street, Covington, engineer, was injured early yesterday morning, when a wooden trestle at the Cincinnati approach to the Chesapeake and Ohio Railroad bridge, Third and Smith streets, Cincinnati, collapsed, causing a heavy freight engine, coal tender and two freight cars to drop through the structure.

The locomotive and coal tender fell to a point several feet above the railroad yard bed, where the timbers locked and held it. The cars hanging from the trestle endangered the lives of firemen of Companies 52 and 14 and Hooks 7, who, under the direction of Fire Marshal William Hilsinger, worked their way beneath the wreckage and lifted Meyers from the cab, where a splintered timber, puncturing his abdomen, had pinned him against the mechanism of the engine. It required an hour's labor to extricate Meyers, who died 20 minutes after reaching the General Hospital.

Price sustained a long cut in his thigh.

George James, 22 years old, switchman, escaped injury by leaping to the ground. He sustained minor bruises.

The wreckage was cleared away by a wrecking crew yesterday. According to statements made to police the wooden structure is used exclusively for switching purposes, and is part of a spur leading off from the freight yards. Engines and cars use the trestle at all hours of the day and night and railroad officials said they believed the structure was a substantial one. From outward appearances, they said, the timbers were solid. However, it is believed the elements caused several of the timbers to decay.

## MISS LIDA BROWNING DIES AFTER LINGERING ILLNESS

One of City's Most Beautiful Christian Characters Passes to Reward This Afternoon After Long Illness.

Miss Lida Browning died at the home of her brother, Mr. E. P. Browning in Riverview Terrace this afternoon about 2:30 o'clock after a lingering illness covering a period of several years. Quite a while ago Miss Browning fell at her brother's home and has been an invalid since that time. She had been gradually growing worse and on Saturday it was noticed that she was in a very critical condition.

Those who knew Miss Lida Browning intimately were indeed fortunate for a more noble woman never lived. She was a consistent Christian and her Christianity was of a practical sort. She was a life-long member of the First Baptist church of this city and until her accident a most faithful attendant. For many years she taught a class of young men in the First Baptist Sunday school and her influence over the young men of that congregation was marvelous and lasting.

Besides her brother, she is survived by several nieces and nephews in Maysville and Mason county and many relatives in Central Kentucky. Arrangements for the funeral have not as yet been made.

## YOUNG PEOPLE MEET.

Mrs. Hattie Crowell and daughter, Christine, spent Sunday with Mr. and Mrs. George Beigle at Winchester, O.

The Mite Society of the M. E. Church South, will meet Wednesday afternoon at 2:30.

## HUNDREDS HOMELESS WHEN FIRE SWEEP A WESTERN TOWN

More Than a Million Dollars in Damage Done By Fire Which Swept Willows, California, Sunday.

Willows, Calif., July 12.—Fire, late yesterday, destroyed virtually the entire business and hotel district of this city, leaving hundreds of persons homeless and causing a loss estimated at \$1,000,000. Only three buildings in the district are still standing.

Relief trains were hurried here from Orlando and Tehama. The destruction of the hotels and restaurants made food scarce for the guests at hotels. Many of them went to other towns with autoists who came here to view the fire and the relief trains took others away.

Hochelmer & Company owners of a department store were the heaviest losers. They estimated their loss at \$150,000. The First National Bank building was a total loss, as were about 3 other business establishments.

## MANY ATTEND LEWIS COUNTY DEDICATION EXERCISES.

The exercises in connection with the unveiling of the Soldiers' and Sailors' tablet at the Lewis county court house in Vanceburg Saturday afternoon were attended by a very large crowd not only from Lewis county but many from the adjoining counties being present. The principal addresses were made by Commonwealth Attorney John Coldiron and Hon. Edgar Hagar, of Ashland. The exercises were under the auspices of the Lewis County Fair Company and the music was made by the Trinity Boys' Band under the leadership of Prof. J. W. Young, of this city. With only six months of training this band of 22 members did splendidly. Much credit for this splendid organization is due to the able management of Mr. A. G. Wilson, of Trinity, one of Lewis county's best citizens.
